Scientific Paper and E- poster submissions

Guidelines

We invite the shimmering essence of E-posters and scholarly abstracts for the forthcoming gathering of SPIN in the ethereal realm of Goa.

Your creation may illuminate any facet of Pediatric Neuroradiology that beckons to your soul.

Simply infuse your creation with magic and send it to us, accompanied by a missive of introduction.

Format of Submission

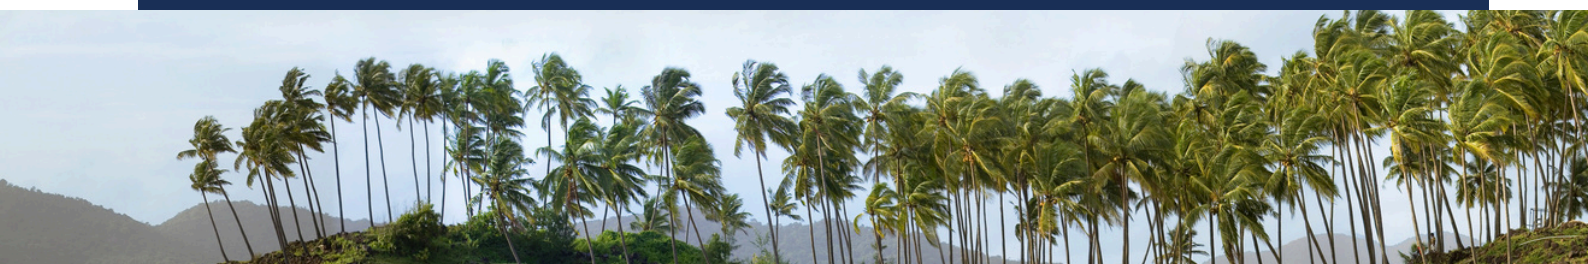

- Simply email your piece to us at faculty@spinacademics.org
- Posters: Max of 10 slides, with consent of your patients/families clearly specified.
- Abstracts: Total word count 200, with introduction/ methods/ results/ conclusions.

Last date for submission

August 15th, 2024

Best paper and poster will be awarded!
